I am requesting an iPad be loaned for the sole use of the above student for the 2020-21 school year. This student has had sufficient time to evaluate an iPad as a reading device for textbooks and both the student and I agree that the iPad will be an effective reading device for them.

I agree to have the student and a parent/guardian sign the OSDE iPad Policies and Procedures document before the student is allowed to remove the iPad from the classroom/school. I agree to immediately notify Liberty Braille if the iPad or any of its accessories are lost or damaged and I agree to immediately report any theft to the local law enforcement agency and provide a copy of that report to Liberty Braille. I agree to collect the iPad back from the student before the last day of school and return it to Liberty Braille.
